A REPORT
BACKGROUND NOTE

Owing to AIWEFA’s close association as Trust Body of Lady Irwin College and experience in conducting workshops for students and faculty on subjects like “Cyber Security”, “Prevention of Drug Abuse” etc. in about 35 colleges of the University of Delhi, Indraprastha University and others, AIWEFA discovered a growing gap in the outlook of the different generations, leading to conflict situations. Owing to contemporary changing family settings, social structures and processes and socio-cultural factors, there has been a growing gap between the generations in attitudes, prejudice, beliefs and values. This has sometimes given way to antisocial behavior, violence and aggression towards individuals and groups.

There is, therefore, an urgent need to understand the dynamics of change in the community and sensitize the generations to maintain elements of community organization, harmony, peace and ethical behavior for the development of a happy, healthy and sustainable society.

Students as they grow up are in the process of forming social self, self concept, self esteem and identity while peers, family, society, community and others seek to control, discipline, and persuade them to conform in their own vision. Group dynamics breakdown leads to erratic behavioral patterns. For this purpose, All India Women’s Education Fund Association (AIWEFA) with support from the National Institute of Social Defence, Ministry of Social Justice, is organizing workshops for school and college students to bring about transformational behavior between the different generations (two or three). Particular attention is given to include students from National Service Scheme (NSS) and National Cadet Corps (NCC).
ABOUT AIWEFA

All India Women’s Education Fund Association ie AIWEFA was founded in 1929 under the leadership of Mahatma Gandhi and vibrant women stalwarts of the freedom movement like Sarojini Naidu, Rajkumari Amrit Kaur, Aruna Asaf Ali, Kamaladevi Chattopadhyay, Annie Besant among others for empowering women.

Education was recognised as the catalytic agent for social change, and in 1932, AIWEF founded the Home Science College, Lady Irwin College, New Delhi to bring a scientific temper in women’s education. For the last eight and a half decades, AIWEFA's programmes in rural and urban areas have been implemented to promote holistic and sustainable development for welfare of communities.

Activities promote education and training of women for family and child care, environmental sustainability, health and nutrition, development of rural families through introduction of drudgery reducing equipments for agricultural management, women's skill development, women's political representation, and programmes to fight violence against women.

Combining academic strength with sound implementation and training strategies, AIWEFA Campaigns and mobilises through its field projects, seminars, workshops, publications and networking, to bring about a sustainable approach to human development and advancement of the weaker sections. Partners include NGOs (India Alliance for Child Rights, Sulabh International), government (Department of Science & Technology, MNRE, Delhi State, NISD) public sector (GAIL), corporate (NIIT), and bilateral agencies (UNESCO, FAO, Ford Foundation, UN Women, UNICEF, UNIFEM etc.). In 1999, AIWEFA was granted the “NGO in Special Consultative Status with the Economic and Social Council of the United Nations (ECOSOC)”. In 2003, AIWEFA accepted the role of Regional Coordinator of the UN’s Informal Regional Network of NGOs (NGO IRENE).

AIWEFA in association with Maruti Suzuki India Ltd. (MSIL) has skilled 400 underprivileged women from Delhi/NCR in safe car driving. In association with UNESCO organised a conference on the "Transition of Women from Education to full Employment." With Delhi Police, AIWEFA trained 150 women in self defence techniques. On the call of Hon’ble Prime Minister, AIWEFA has initiated the Swachh Campaign. For the last 15 years AIWEFA presents the "AIWEFA- Nina Sibal Memorial Award, annually to an organisation working in the area of disabilities. Her suggestions related to bonding through technology of mobile use, email, twitter, WhatsApp and other social media options captured the interest of the students and were very well received as means of relating to members of the senior generations. Evolving Strategies:

Ms. Manchanda gave her remarks about the evolving strategies. She emphasized that all the three generations need each other and efforts need to be made by all to bend and mend the attitudes for a better understanding amongst themselves. The Value system needs to be inculcated from the young age. To bridge the gap between different generations , the young generation has to play the most important role and make the maximum efforts to maintain the cordial relationships as they are the most flexible The youth is still in the process of moulding their personalities and need to learn to give respect to all the elderly people, inculcate a patient hearing habit to the elderly’s slow and rigid ways, Youth must learn to take advantage from rich experiences of the senior generations and need not ever consider them useless. Young generation should understand the time, financial and energy-efficient limitations under which their parents have to discharge their duties towards their wards as well as seniors.It is here that the youth has to play a very vital role to see that in the society seniors are respected, well looked after physically, financially and emotionally.They are not deprived of any of their rights, legal or otherwise ,should be able to spend their old age gracefully with dignity. The youth has to learn well the value and strength of being together ( unity in diversity) and act as volunteers and watchdogs to
safeguard the interests and legal rights of all generations. Thus contribute towards a peaceful, happy and harmonious society.

This was followed by a question-answer session and a feedback form was given to be filled. Finally pledge-taking to “Promote Intergenerational Bonding” was administered by Ms. Shveta Gupta as follows:

On this day ie. 09 February 2018 we pledge that we will respect our parents, grandparents, teachers and all Senior Citizens and help them in all situations. We will listen to them patiently and benefit from their experiences. We will peacefully make them understand our viewpoint, make them conversant with latest digital techniques for better communication leading towards a loving, harmonious and healthy society.

The whole workshop was a great success... A vote of thanks was proposed by Ms. Madhu Kapoor. Refreshments were served to all the participants.

The e-certificates of participation were also issued later on.
